## Remarks

**(Remarks are not for responding to an office action.)**

Applicants submit herewith patents, publications or other information which they are aware, which they believe may be material to the patentability of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56. While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to herein is "prior art" for this invention unless specifically designated as such. In accordance with 37 CFR 1.97(g) the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. (Foreign Patent Documents JP11143691A, JP2000035947A; and Non-Patent Literature U.S. Patent Application 09/389,440, U.S. Application 09/397,609 will be provided by U.S. mail.)
